

## your generosity at work

Your support plays a crucial role in sustaining and expanding programs that educate and empower youth in Greater Indianapolis. These funds provide essential resources, from program materials to leadership opportunities, ensuring that Joseph Maley Foundation can reach more individuals and have a greater impact. Together we are building a bright future.

### by the numbers

- Over half a million youth served since 2008
- 49,497 students served across education and service programs in 2024
- 58 school partners engaged in education programming
- 32 puppeteers trained to perform skits on topics related to education programming
- 51 Junior Board members serving as Foundation ambassadors while participating in leadership development
